Dear Professor Noyes,

Thank you for your letter of 6 June, about Core Maths qualifications.

I am grateful to ACME for the advice that you have provided as we have developed Core Maths policy and you raise a number of points in your letter which will be useful to discuss.

Unfortunately due to pressures on my diary, I am unable to commit to a meeting at present, however, I would suggest you meet with Mr Tom Goldman, Deputy Director of the Curriculum and Standards Division at the Department, along with members of the team with responsibility for Core Maths. The team will also be able to update you on wider progress on Core Maths activity. Please contact Mrs Varsha Stroud to make the necessary arrangements by email at: varsha.stroud@education.gsi.gov.uk.

Thank you for writing on this important matter and I hope this letter is helpful to you.

With best wishes,

Elizabeth Truss MP
